

Heinold-Banwart, Ltd. Participated in the Illinois CPA Society's CPA Day of Service – September 2011

On Friday, September 23, 2011 along with hundreds of other CPAs throughout the state, Heinold-Banwart, Ltd. participated in the Illinois CPA Society's Second Annual CPA Day of Service. The CPA Day of Service was started last year in response to the growing needs of social service agencies and non-profit organizations in an uncertain economy to increased member interest in public service opportunities.

As part of this effort, 15 employees from Heinold-Banwart spent the day volunteering at various programs offered by the South Side Mission of Peoria. In one afternoon these employees sorted donations at multiple thrift stores, prepared and served dinner at a women's shelter, and tutored students in reading and math.

"The P in CPA stands for public. Whether it is an audit report or a tax return, much of our work is intertwined for public benefit. These volunteer opportunities gave our employees a chance to give back to the community in a more hands on way than our usual tasks. Our volunteers felt privileged and honored to be of service at South Side Mission of Peoria," stated Susan Coats, Tax Manager.

Heinold-Banwart provides traditional audit, accounting and tax services as well as non-traditional advisory services. These include controllership services, employee benefit plan administration, and valuation and litigation support services. The Firm builds long-lasting, value-driven relationships and holds itself to the highest industry and professional standards.
